Seniors Energy Forum, Aug. 18

OLD SAYBROOK -- State Rep. Marilyn Giuliano and Connecticut Light & Power will host an informational energy forum for senior citizens and other interested residents at the Senior Citizen Center, Estuary Council of Seniors, Inc., 220 Main Street, Old Saybrook, Monday, August 18 from 12:45 to 1:45 p.m.

The forum will focus on energy conservation, and steps to save energy and money with today's high energy costs.

Attendees can receive information on energy assistance for low-income residents, and other energy conservation programs available to all income levels.

Connecticut Light & Power will provide refreshments and energy conservation gifts.

For more information, call Rep. Giuliano's office at 800-842-1423.
