### Citizens' Energy Forum, Dec. 3

OLD SAYBROOK -- State Rep. Marilyn Giuliano and Connecticut Light & Power will host an informational energy forum for all interested area residents at the Acton Public Library, 60 Old Boston Post Rd., Old Saybrook, on Wednesday, December 3 from 7:00 pm to 8:00 p.m.

The forum will focus on energy conservation, and steps to save energy and money with today's high energy costs.

Attendees can receive information on energy assistance for low-income residents, and other energy conservation programs available to all income levels.

Connecticut Light & Power will provide free energy conservation items.

For more information, call Rep. Giuliano's office at 800-842-1423.
